TERM 1 WEEK 6 2013

"It is impossible for a man to learn what he thinks he already knows." - Epictetus

PRINCIPAL'S REPORT

Allergies

Does your child suffer from allergies to food or insects?? When they have an allergic reaction do they 'puff up' at all or have difficulty breathing??

If your child has displayed any of these symptoms currently or in the past it is extremely important that the school knows about it so we can ensure your child's safety in the event of an allergic reaction.

Donation Bin

A clothing donation bin has been set up in the car park for use by the school and community. The company makes a cash donation back to the school for the amount of clothes donated.

If you are having a clothing clean out, please feel free to use the bin!!

School Changes

I am very excited to be able to be part of small but significant changes to the school. These include the way things are done around the school, the look of the school and the function of things within the school.

Unfortunately, change can come with its own 'hiccups' which we minimise as much for everyone. I appreciate your patience and understanding if you are affected or inconvenienced by something outside of our control or overlooked by us.

Two examples that come to mind this week include the back gate opening (or not opening!!!) and the phones being out of order due to the power being disconnected. Both of these are currently being looked at to minimise the chance of further disruptions and again I thank everyone for their patience.

A positive change this week is the delivery of new iPads to the school which will soon be set up to be used by groups in classrooms. I look forward to reporting on our achievements with the iPads over the next few months.

Fantastic Workers!!

Have a great week!!

Debby Meredith

TERM DATES

March

- 4-8th Swimming Scheme
- 15th Gala Day
- 19th P&C Meeting 2pm
- 29th Good Friday

April

- 1st Easter Monday
- 5th Gala Day
