"The difference between school and life? In school, you're taught a lesson and then given a test. In life, you're given a test that teaches you a lesson." - Tom Bodett

PRINCIPAL'S REPORT

Behaviour

It is pleasing to see the great behaviour that is demonstrated by the children at our school. On the playground, in the classroom, in assembly and in the office the high majority of children at Guise show - a genuine respect for themselves, others and their property; great responsibility to be the best they can be and responsible when doing jobs and errands, and full concentration on being a studious and hardworking learner.

Even when outside of the school many different people have commented to me how great our children are at different times and what excellent ambassadors they are for Guise Public School.

Well done everyone!!

Good Luck

Three of our Year 6 boys will be trying out for the South West Sydney Rugby League Representative team to represent Guise PS this week. We wish the boys the best of luck!

NAPLAN

The National Assessment Program - Literacy and Numeracy (NAPLAN) will be held at the beginning of Term 2 - 14th, 15th and 16th May for Years 3 and 5.

Children will be doing some practice activities in class and would benefit from getting into a healthy bedtime and morning routine and eating nutritious snacks to help them do their very best on the day.

P&C AGM

The P&C Annual General Meeting will be held next **Wednesday 20th March** at 1.30pm in the Community Room. All parents welcome. This is a great chance to get an official role in the P&C and to help your child's school.

Assemblies

Whole school assemblies are held every fortnight in the school hall and the awards published in the newsletter every other week. All parents are welcome to join us for our assemblies.

The next assembly will be next Monday 18th March. We'd love to see you there!!

Have a great week!!
