TERM 2 WEEK 5 2013

"Nothing you do for children is ever wasted." — [Garrison Keillor](#)

PRINCIPAL'S REPORT

Exciting times ahead

What an exciting week ahead!!

Next Monday is the Infants excursion to Central Gardens. Infants children (and teachers) have been impatiently waiting for their excursion to Merrylands after it having to be postponed due to rain last term. Finally the time has come!! It is important for every child to have a new permission note filled in with the change of date or they will not be able to attend. Everyone cross their fingers for good weather on Monday!

Another postponed event is the Zone cross country. The make up day will be next Friday 7th June. As a result the P& C Disco has been moved to Thursday 13th June so that all children can attend. Good luck to those children participating in the Cross Country!!

Next Tuesday we are having the Skyworks Planetarium visit the school. The Planetarium is a purpose built dome that will be set up in the school hall. The children will get to experience the Solar System as the spectacular night sky is projected across the whole dome so children can experience exactly what is seen in the evening. This will be a great experience for the children. All Green Level children will be attending!!

A reminder to children and parents that children who are on Orange Level, or who have been on Red level throughout the term, may not be able to attend excursions or incursions.

From the mouths of babes

I was having a lovely chat the other day with some Kindergarten children about sugar and what happens if we eat too much. Jenhniesha from KH very confidently told me, "Sugar gives you lots of energy.....but it wears off very quickly." She had learnt this from her dad!! The wisdom that our kids learn from us so naturally still amazes me after many years of teaching. What a great dad to be having those conversations with his daughter!!

Permission to publish

Attached to this week's newsletter is the new 'Permission to Publish' permission note. This note gives the school permission to publish children's names and photos in school publications, such as the newsletter. It's very important that **each child returns this note** so we can continue to showcase all of Guise Public School students to their community.

A bumper issue next week

Look out for next week's newsletter. It will be filled with reports and information from each class.

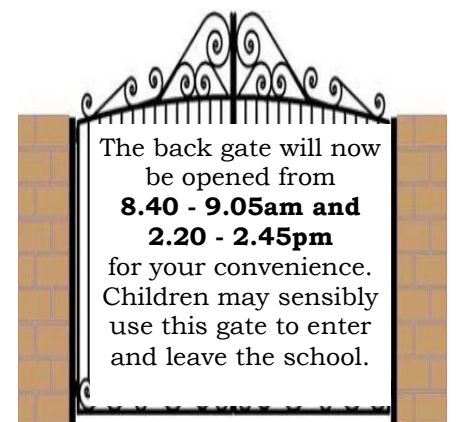

Have a great week!!
