TERM 2 WEEK 6 2014

PRINCIPAL'S REPORT

KindyStart

KindyStart will begin again next term!! This is our very exciting Prep program where we take children starting Kinder in 2015 once a week for 2 hours and prepare them for school. This was a very successful program last year and we look forward to it being bigger and better this year.

If you have a child starting Kinder next year or know someone who does please register at the office so we can send you information regarding KindyStart for next term!!

Zone Cross Country

Congratulations to the children who represented our school at the Zone Cross Country. All children ran well on the day and did their very best. They also showed excellent behaviour when it wasn't their race and did the school proud. Great work!!

Uniform

Uniform is the first impression people get of a school and its community and research has shown that many families judge how good a school and its teachers are by the number of children that wear uniform!

At Guise we have a set uniform policy and expect students and families to follow it. Plain blue jackets/jumpers or those with an emblem are the correct winter uniform. Pants should be blue trackpants, tights or grey trousers.

The children are currently being given 3 warnings when not wearing their uniform before further consequences.

Second hand jumpers are available from the school office for \$5 for any family having difficulty paying for a new uniform. Please let us know if there are any other difficulties stopping your child from coming in the correct clothes so we can assist.

Money Paying Procedures

Thank you to all of the families who now put their excursion and sport money in an envelope and put it in the 'money box' in the office. Parents are reminded that each excursion will have a due date for payment. If money is not returned by this date the child will not be able to attend the activity unless an extension has been organised through the office. As always, student assistance is available for any family having difficulty paying for school activities.

A new roof - update

Our new roof is complete!!! We are now just awaiting installation of gutters and downpipes to finish the job completely!!

Have a great week!
