Principal's Report

It has been a fantastic fortnight of learning and engagement over the past weeks at Guise Public School. Last week students in classes from Kindergarten to Year 4 enjoyed a wonderful excursion to Featherdale Wildlife Park. Reports back from teachers, children and parent helpers were that all children enjoyed a hands-on, fun day and their behaviour whilst representing the school was outstanding; which was fantastic to hear.

YOU CAN DO IT (YCDI) Launch

Last Tuesday Mrs Davies led the school in the official launch of the You Can Do IT (YCDI) program, which aims to build social-emotional capabilities that all young people need to experience for learning, social and emotional success, and build a positive culture throughout the school. The launch started with a special assembly and was followed with a games afternoon to practise the 5 Foundation Skills of Confidence, Persistence, Organisation,

Getting Along and Resilience. The day was a success and enjoyed by all. My thanks goes to Mrs Davies for leading the implementation of this important program in our school and the many parents and carers who joined us on the day to celebrate the launch. We have signage that is in the process of being made to be displayed around the school about the program, which should be up after the school holidays. In addition, there will be workshops presented to our families designed to help you support the building of positive home-school partnerships. So, keep a look out for the exciting change to our school environment when You Can Do It continues next term.

Triple P Parenting Program

Next term the school is offering parents and carers the opportunity to participate in the well regarded, Australian designed parenting program 'Triple P', with Families NSW. The free sessions will run over 5 weeks on Tuesdays with a group of up to 10-15 parents. During the sessions the group will focus on effective parenting strategies; how to enhance your child's development; and how to manage common behaviour problems. Please return the reply slip on the note sent home last week with your interest, so we can book you in for this positive parenting program. Please note spaces are limited.

CLO Position

I am delighted to announce that Carol O'Brien was the successful applicant for the Community Liaison Officer (CLO) position at Guise PS. Carol comes to us with years of experience working as a School Learning Support Officer and CLO in a number of schools. We look forward to Carol working alongside the P&C and school, to continue in developing strong links with the school community.

Relieving Principal

Next week I will be on long service leave and we have Mr Michael Darmody, who is currently the Assistant Principal at Waniora Public School, who will be the Relieving Principal at Guise PS. Michael comes to our school with substantial experience as an executive staff member and has had experience relieving as a principal. I am sure the staff, students and community will join together and welcome Michael to our fantastic school.

Have a wonderful week.
