## Principal's Report

### Stage 3 Mini Fete

On Wednesday last week our Stage 3 students organised and held a Mini-Fete to raise funds to contribute towards the Year 6 Farewell.

Students enjoyed a variety of fun-filled events and activities on the day, which were all planned, set up and run by our Stage 3 students.

A big thank you must go to Mr Barilla, Mrs Hanney and Mrs Davies for making the day possible and to the community for donating items for the White Elephant Stall.

## K-2 Featherdale Wildlife Park Excursion

Through our partnership with ASPIRE, K-2 were fortunate to be given a free excursion to visit Featherdale Wildlife Park on Friday. Everyone was able to get up close and personal with a group of reptiles and mammals and enjoyed an informative session with an experienced animal trainer. The students enjoyed roaming around the wildlife park checking out all the cool exhibits. They were able to see first-hand many of the wildlife they had studied in Term 3.

Mrs Dobinson (Assistant Principal)

## School Ambassador Project Presentation

As school Ambassador, Tobias has worked collaboratively with a number of other local schools to develop his Ambassador project for Guise Public School. He had a hunch that the students needed some sporting and play equipment in the playground during recess and lunch and began his project by surveying students. This survey confirmed his hunch. Tobias then set about coming up with ideas and suggestions for ways to best introduce this equipment to classes across the school. Through hard work, persistence and a great deal of confidence and resilience, Tobias created Class Sport Boxes, which will be implemented next year. On Thursday last week, Tobias attended a School Ambassador Showcase where he presented his project to all the other schools involved in the program as well as The Mayor of Liverpool and other dignitaries.

Mrs Davies (Assistant Principal Support)

## Water Awareness Program

On Monday this week 30 students have begun a water awareness program at Macquarie Fields swimming centre. The program is designed to increase the students' water confidence and water safety awareness, and is delivered by fully qualified swimming instructors. The program was able to be offered to our students through a Sporting Schools grant. I am positive that all students will enjoy the program and gain an increased confidence in the water.

## Community School Planning Dinner

Just a reminder that on Wednesday 5 December we will be holding a Community School Planning Dinner from 3.15-6.00pm in our school library. We would like as many parents and carers to come along as possible, to find out more about what is happening in our school around student voice and choice and give us your feedback. At this planning night, community members will enjoy afternoon tea, a fact finding Amazing Race, bingo, prizes and dinner, free of charge.

So that the session remains productive, children will participate in activities with school staff in a classroom. Children will be given their dinner separately so that parents can enjoy a 'child free' dinner and discussion.

An invitation was sent home last fortnight and also sent through the Skoolbag App. Please complete the RSVP slip and return to the school office so we can organise numbers for catering purposes and to receive your pre-session information booklet.

Staff are looking forward to working with you to make future plans and directions for our school.

## 2019 Classes

To help with the organisation of class formations and planning for next year, could you please notify the school office as soon as possible, if you know your child/children will not be attending Guise Public School in 2019. We would really like to start the year with students in their 2019 classes. In order to do this it is important that we know if any students are leaving or enrolling in our school.

## Leave

I will be taking a short period of long service leave from Wednesday 21 November and will return to work on Friday 30 November 2018. During this time, Mrs Heyburgh will be relieving as the school principal.

Have a wonderful week!

Megan Predl

**School Banking  
is on Friday**

Remember, **Friday** is School Banking day and students should bring in their weekly deposit.

## You Can Do It Update!

The You Can Do It program is a whole school wellbeing framework that supports students to be the best they can be!

You Can do It is about teaching students how to be successful and behave responsibly in school. This year we are focusing on teaching the students how to behave in all areas of the school.

Every Tuesday afternoon your child is involved in a YCDI lesson followed by an INSPIRE lesson. Over the next couple of weeks each class will identify ways that they must behave in the Breakfast Club. Below is the expectation matrix that you can talk about with your child at home to ensure that visiting Breakfast Club is enjoyed by all. Following this lesson, the INSPIRE Team have been discussing the brain function and how this can strengthen, making the brain smarter.

*You Are The Key To  
Your Success  
"YOU CAN DO IT!"*
