Jump Rope for Heart

Students and staff had a fun and healthy start to the morning last Friday as they participated in the Jump Rope for Heart, 'Jump off Day'. The school was full of happy chatter and laughing as children skipped individually and in teams. There were many challenges, which included, how many could fit on a rope and how many skips could they do continuously. Some of the older children were challenged further, by testing out their skills with Double Dutch and the Egg Beater. Some staff members demonstrated some very impressive skills and our students showed how fit and agile they are. Congratulations to Aayansh and Maycie who between them raised almost \$1000. Together as a community, we raised \$1215. Thank you to Miss Ibrahim for organising an amazing event for our students.

Presentation Day

This year due to Covid restriction our annual Presentation Day will look a little different. There will be a Virtual video uploaded to Guise Public School Facebook account as well as your Family Seesaw account, on Tuesday 8 December at 9:15am.

Guise Film Festival

This Semester, students and teachers worked collaboratively to develop a class film. Mr Sapsad our Tech Mentor, together with our teachers produced an outstanding film. Thank you also to Miss Wild for coordinating all of the packages that went home to families, so that they could enjoy watching their child's film.

Kindergarten Orientation

This week we officially welcomed our Kindergarten students for 2021. Students were invited to come along to a Pre-Kindergarten session to participate in classroom activities and pre literacy and numeracy experiences organised by Mrs Kitsouklias and Mrs Mayes.

Christmas Raffle

The following families have won a hamper in the Christmas Raffle. We will send home the smaller items with your child on Monday, however, the larger hampers will need a family member to arrange pick up from the school. A huge thank you to all of the staff at Guise who purchased items for the raffle.

School Banking

This Friday 4 December will be the last school banking day for the year. Thank you to all of our students who have participated. A very big thank you to our school banking volunteers for all of your hard work and dedication.

Links to Learning

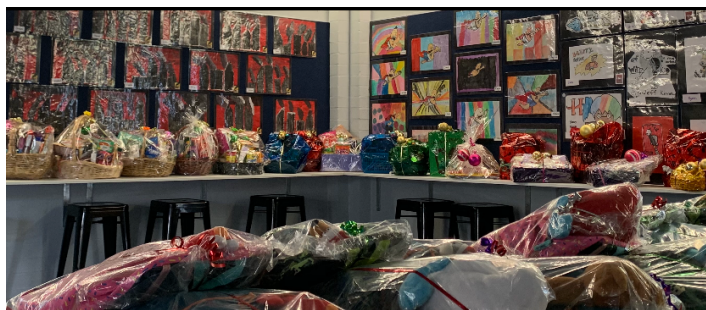

On Wednesday of this week, our Year 6 students graduated from the Links to Learning program. They have participated in weekly activities that have prepared them for high school. Thank you to Donna who has supported the students to set goals for their future and beyond primary school.

Classes Next Year

To help with the organisation of class formations and planning for next year, could you please notify the school office as soon as possible, if you know your child/children will not be attending Guise Public School in 2021. We would really like to start the year with students in their 2021 classes. In order to do this it is important that we know if any students are leaving or enrolling in our school.

Have a wonderful fortnight!
Renee Heyburgh
